

**Please stock Baby Gourmet at your store.** They offer healthy, organic fruit and veggie purées, cereals, savoury meals and delicious snacks for babies and toddlers.

For more information, visit [www.babygourmet.com](http://www.babygourmet.com) or contact [communications@babygourmet.com](mailto:communications@babygourmet.com)

Here are some of their offerings:

- ♥ *Beef Bolognese with Pasta. Old-fashioned Apple Crisp. Vanilla Banana Berry Risotto. Sound like food you'd want for dinner? That's how they make all their baby food. They only choose the freshest ingredients from certified organic farms – no fillers, added sugar or salt, or artificial preservatives.*
- ♥ Squoosh are tasty, organic snacks that provide a full serving of fruit and vegetables in every pouch. They are kosher, nut-free and gluten-free.
- ♥ Mushies are freeze-dried, melt-in-your-mouth organic snacks for babies and toddlers to continue developing a taste for good food.
